## **Meet your South Ward Council Representatives**

**As you would be aware, as a result of the 2022 Representative Review which approved 3 members to represent residents and businesses of the South Ward, the southern area of the city now has three councillors.**

**SECRA is keen to have mutually helpful, productive and ongoing relationships with all three South Ward Councillors and has invited our re-elected South Ward Councillor Keiran Snape, and newly elected Councillors Henry Davis and Mark Siebentritt to speak at a special meeting.**

**Our Councillors have been asked to share ideas regarding the future of the South East corner of the city and the city more generally including what they consider to be the main issues of concern to residents and business owners in the South Ward, as communicated to them during their recent election campaigning. They have also been asked to share what they hope to achieve in their term on Council.**

**Following the formal presentations there will be an “open mic” opportunity for you to ask your own questions.**

**After the close of the meeting at around 7.15pm, we hope you will take the opportunity to stay and socialise both with our guests and with other SECRA members.**
